

DESCRIPTION

THE MISSION COLLECTION OVENS.

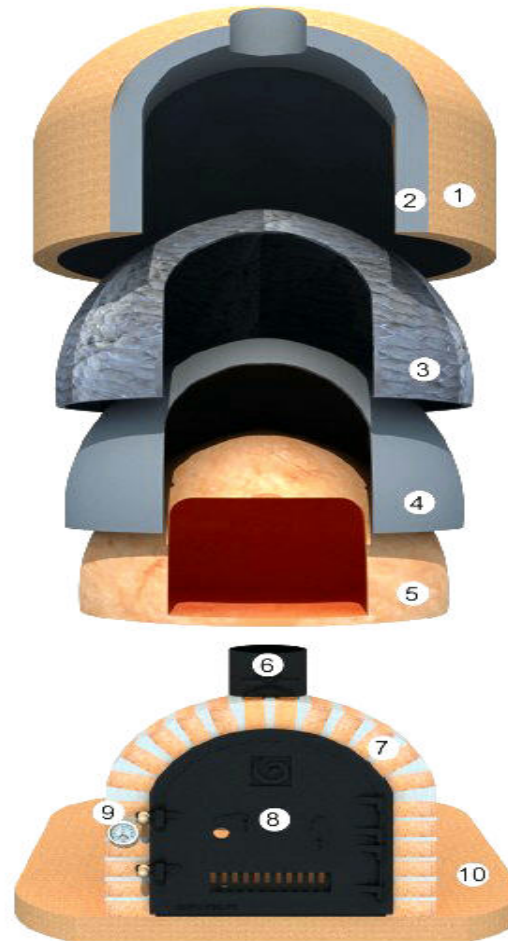

This is a ready to work wood fired oven with an interior refractory clay coated with ceramic fiber blanket and expanded clay, a lightweight concrete base, finished in projected cork, equipped with door, chimney and thermometer.

The concept of this old traditional handmade clay oven is that anyone can enjoy authentic homemade tasty food such as pizza, bread, grills, lasagna, rotisseries, casseroles, smoke your ribs or just enjoy the fire pit inside the oven.
